Members of the Rochester area Knights of Columbus presented a ten thousand dollar check to fund a scholarship for Lourdes High School students. The Knights of Columbus have a long history of supporting Catholic Education. This newly established scholarship provides an even stronger connection with the Rochester Catholic Schools and Lourdes High School. Recipients of awards from this scholarship are students in need who might not otherwise have the means to attend Lourdes.

The tenets of the Knights are Charity, Unity, Fraternity and Patriotism and this scholarship is in direct support of those tenets. This Scholarship was funded with a donation from the Rochester Knights of Columbus Donor Advised Fund created after the 2006 sale of the K of C hall built in the 1950's. The hall was part of the original Rochester council 1013 est in 1905 (now Harold Gentling Council 1013 at St. John's Parish). This scholarship also provides future Knights, family members and Councils a vehicle to continue their ongoing support of Catholic education in Rochester through additional donations to the fund. The Lourdes Foundation board of directors appreciate and are grateful for this generous donation.
